

Accessibility Statement

General

Emergence.health strives to ensure that its services are accessible to people with disabilities. Emergence.health has invested a significant amount of resources to help ensure that its website is made easier to use and more accessible for people with disabilities, with the strong belief that every person has the right to live with dignity, equality, comfort and independence.

Accessibility on Emergence.health

Emergence.health makes available the [Accessibe's Accessibility Widget](#) that is powered by a dedicated accessibility server. The software allows Emergence.health to improve its compliance with the American Disabilities Act (ADA) and Web Content Accessibility Guidelines (WCAG 2.1).

Enabling the Accessibility Menu

The Emergence.health accessibility menu can be enabled by clicking the accessibility menu icon that appears on the corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

Disclaimer

Emergence.health continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.

Third Party Links

Emergence.health contains links to third-party partners. We are not responsible or liable for any issues with accessibility on these websites. We suggest you contact the websites directly should you experience difficulty with their accessibility.

Here For You
